THE JAWED HABIB
Salon & Academy

Introduction

Jawed Habib Hair and Beauty is one of the leading hair & beauty salon chains in India. The company currently operates a total of 830 plus outlets across 24 states and 110 cities in the country and have successfully running outlets in Singapore, Nepal, Bangladesh, and Dubai now in Kenya.

The brand Jawed Habib is constantly gaining momentum by adding new brands and ideologies to its business. We have managed the explosive growth through careful attention to customer satisfaction and quality assurance. Our skills, aesthetic sensitivity and solid expertise, help us understand the needs of the growing hair and beauty market.

Jawed Habib truly has become a household name in hair styling and hair care today.

The company is promoted by Jawed Habib, a renowned Hair Expert who started the company more than 30 years back with a vision to provide quality hair styling and beauty services to the wider populace of the country. With his passion and relentless efforts, he has established an effective system which is self sufficient in terms of providing quality services to clients all across. Hair and Beauty services are provided through the company's own and franchised outlets i.e AK'z Ventures Limited.

The company also runs academies to impart quality education in hair and beauty to aspirants in the profession of cosmetology branded as Jawed Habib Academy.

Our Vision

To help our locals discover and nurture their talents, skills and capabilities in a creative and confident manner.

Our Mission

To offer training to the local individuals to acquire the knowledge and skills necessary to form the foundation for successful career in Beauty and Hairdressing Industry. They further gain the same experience by working in our salon, and thereon potential candidates are later selected to empower them by us creating opportunities to invest in them by opening joint outlets under the said franchise.

We are proud of the successive rankings by Jawed Habib in the specialized field as they have been recently recognized and certified by Gatehouse Awards, UK as one of the best future of education in the international hair and beauty sector.

Course Structure

Jawed Habib Academy aims to provide scientific and systematic training to individuals aspiring to pursue a career in Cosmetology. It was established with an impetus to revolutionise the art of Hair Styling in India. Since its inception, the academy has enabled thousands of students to succeed in Cosmetology.
