

Nokia T20 | Find new ways to work, learn, and play, with a tablet designed to last

Three reasons to Love, Trust, and Keep Nokia T20

Love it

Its huge **10.4" 2K screen** provides noticeably **sharper visuals for an immersive viewing**

experience – perfect for video calls, games, and movies.

It's **low blue light certified** which helps **prevent eye strain**, so it's safer for the whole family to watch.

It is estimated that tablets with a screen size of 10" or more will occupy 60% of the market in 2024.¹

Trust it

The **8200 mAh battery** is big enough to last **up to all day**.²

It can **power through up to 7 hours of video calls, 10 hours of watching videos, and 15 hours of web browsing**.³

It's compatible with **15W chargers** which means it can power up/recharge quickly.

We spend around 7 hours a day consuming digital content such as TV shows and online articles.⁴

Keep it

Keep up to date with **2 years of OS upgrades** which lets you **benefit from new innovations** and get the **latest software**.

3 years of monthly security updates ensure the Nokia T20 is **protected from cyber attacks**, keeping important information and personal photos safe.

With regular OS upgrades and security updates, **Nokia T20 is future-proof** for years to come.

People use tablet devices for approximately four years before they buy a new one.⁶

More reasons to #lovetrustkeep Nokia T20

- ❑ **OZO Playback Panorama** makes the stereo sound even more immersive – perfect for listening to your favourite tunes on Spotify.⁶
- ❑ **OZO Audio** limits background noise including wind, so it's great for taking videos on the next family outing.⁷
- ❑ **Octa-core processor** and a choice between **3GB/32GB (WiFi)** or **4GB/64GB (LTE version)** means fast processing, less lagging, and enough room for photos, TV shows, and games to entertain the whole family.
- ❑ **5MP front-facing camera** for sharper video calls with family, study groups, and work, and the **8MP rear camera** to capture new memories in great detail.
- ❑ **Face unlock** recognises your unique facial features for a quick, convenient, and secure way to access Nokia T20.
